Time is and Illusion Facial 50-minutes

After a gentle cleansing, a crystalline mask of micronized gemstones blended with bentonite clay will be applied to create healing and tightening. A hydrating mask will follow to restore moisture levels. Your face will then be treated with an all-natural bio peptide complex serum that will reduce fine lines and wrinkles, puffiness, and increase skin firmness. An additional serum rich in protein and amino complexes will improve moisture retention, oxygen supply to the cells.

Propolis Wrap-50 minutes

Propolis Moisturizing Lotion, created by honeybees deep in the Brazilian Rainforest, is rich in unique antioxidants, bioflavonoids and special nutrients indigenous to the rainforest. Blended with the finest olive oil, delivering Omega’s 3, 6 and 9 deep into the skin, it provides astonishing success in the repair and rejuvenation of the skin. In this innovative treatment, your body is covered in Propolis and then gently wrapped to enhance the absorption of this magical elixir. To seal the Propolis in, warm coconut milk is poured over your entire body and gently massaged in leaving your skin protected, deeply moisturized and incredibly smooth. The harvesting of Propolis produces economic aid to the Brazilian Rain Forest while at the same time being ecologically friendly.
